SIR:

The foreign priority data listed on the above-captioned application should be as follows: DE 10 2004 013 252.6, filed March 18, 2004. The domestic priority data should be as follows: This application is a 371 of PCT/EP2005/050170, filed January 17, 2005. This information is correctly reflected on the Filing Receipt, as admitted by Examiner Lee on December 30, 2009 in a telephone conference with Katy Chan-Parsons of Kenyon & Kenyon LLP.

The Office Action dated 04/02/2009 and the Notice of Allowability dated 10/06/2009 indicate that a claim for foreign priority under 35 U.S.C. § 119(a)-(d) or (f) was made, but that no certified copies of the priority document have been received from the International Authority.

Enclosed is a courtesy copy of the German priority document DE 10 2004 013 252.6, filed March 18, 2004. Applicant again respectfully requests that this paper be made of record in the above-captioned patent application.

Dated: January 5, 2010
